MBraun Officially Announces Plans to Open a West Coast Sales and Service Office

Stratham, NH....April 8th, 2008 -- Chris Chausse, President/CEO of MBraun Incorporated officially announced the opening of a New West coast sales and service office. MBraun plans to open the new office in the fall 2008 located just outside San Jose, California. The opening of MBraun's new West Coast office will better enable MBraun to increase our sales support and provide better service capabilities to the West Coast market.

About MBraun

MBraun is the world-wide leader in glovebox manufacturing and custom system solutions with over thirty years experience. MBraun is capable of designing and manufacturing standard gloveboxes for laboratory research to customized fully automated gloveboxes integrated into production lines. Our expertise in controlled environments allows MBraun to provide a quality glovebox at a competitive price.
